Circle Square Ranch Master Association, Inc.

Welcome to the Circle Square Ranch Master Association, Inc. Web site (Circle Square Ranch Master Association, Inc. also referred to as the "Master Association").

In 1975 Sidney Colen purchased a 12,900-acre cattle ranch (established by James Norris in the 1940s) known as Circle Square Ranch in Ocala, Florida. Colen had a vision to develop this land in a way that combines an innovative, superior lifestyle with friendly and inviting neighborhoods, a vision of preserving the environment and natural beauty together with establishing a tradition of excellence. With the development of a master-planned community at Circle Square Ranch, portions of the land continue to be a working ranch while the remainder of the property moved into a new, carefully thought out
